**of the Museum of American Finance's
New Home at Commonwealth Pier, Boston Seaport**

Wednesday, July 1, 2026

200 Seaport Boulevard

9:30am	Doors open/continental breakfast
10:00am	Press conference
10:30am–12:00pm	Media previews

Working members of the press are invited to enjoy exclusive preview access to the new exhibit headquarters of the Museum of American Finance two days in advance of its public opening. Through seven unique exhibits, visitors will engage in conversation with an AI Alexander Hamilton, view the priceless artifacts that established the US financial system on the nation's 250th anniversary and explore the worlds of blockchain, crypto and the future of finance. Guest curators and Museum leaders will be available for interviews. Photography and filming are welcome and encouraged.
